

190905 / 10 / 12

Description

High quality chip and weatherproof LED.
Excellent performance and energy savings.
Completely dustproof. Radiation protection,
UV with high mechanical resistance. LED
energy consumption savings with durability
and luminaire with efficiency.

Mounting - LED Surface/Recessed mounted.

Standards - Manufactured and tested as per
EN 60598-1 and 60598-2-1.

LED - Energy saving consumption and Durability.
Efficiency and quality in wide variation.
50,000 Hrs Life span under temperature
(-20°C to 55°C).

Objective

This High quality flexible SMD LED striplight with high
efficiency and guaranteed to give excellent results and
surely give a unique lighting effect and pleasantly light.
Excellent performance and energy savings. Environmental
friendly thanks to the energy and consumption savings
guaranteed from its characteristics.
Completely dustproof.
Protected from temporary immersion.

Obbiettivo

Questo Striplight LED SMD flessibile di alta qualità con
alta efficienza e garantito per dare risultati eccellenti e
sicuramente dare un effetto di illuminazione unico e
piacevolmente leggero. Prestazioni eccellenti e risparmio
energetico. Rispetto dell'ambiente grazie al risparmio di
energia e di consumo garantito dalle sue caratteristiche.
Completamente antipolvere.
Protetto dall'immersione temporanea.
